

Molina in Action: Los Angeles County

Community Champions Awards

Molina Healthcare recognized four heroes from Los Angeles County who embody the spirit of service and volunteerism. As part of Molina's annual Community Champions Awards, each person received a trophy, flowers, and a \$5,000 grant to donate to the organization of their choice. Molina donated grants to Mobility Service Dogs – West Coast Project, the LGBTQ Center Long Beach, Coalition for Humane Immigrant Rights in Los Angeles, and the American Cancer Society on the winners' behalf.

Supporting WomenShelter of Long Beach

Molina Healthcare and longtime partner HomeAid Los Angeles collaborated to help make much-needed renovations to the WomenShelter of Long Beach (WSLB). Molina contributed \$33,000 to the effort, which included replacement of windows, flooring, paint, household appliances, and much more.

Supply Donations

In addition to PPE donations and financial contributions, Molina Healthcare coordinated with dozens of community organizations to supply them with resources. In Los Angeles County, Molina provided care packages for seniors at Home Avenue Adult Day Health Care in Downey and residents at the Long Beach Rescue Mission. Molina also contributed reusable tote bags filled with food and activity resources such as crayons and coloring sheets to Southern California Rehabilitation Services Independent Living (SCRS-IL).
