

# Molina in Action: Sacramento

## Community Champions Awards

Molina Healthcare honored four compassionate residents in the greater Sacramento area who exemplify the spirit of service and volunteerism. As part of Molina's annual Community Champions Awards, each person received a trophy, flowers, and a \$5,000 grant to donate to the organization of their choice. Molina donated grants to Sacramento Food Bank & Family Services, Teachers for Healthy Kids, United and Guided, and Guide Dog Foundation for the Blind on the winners' behalf.

## Feeding Families in Greater Sacramento

Molina donated \$5,000 to the River City Food Bank's 2020 Empty Bowls event. The program fed thousands of individuals and families in the greater Sacramento area who have been struggling with hunger and food insecurity. The RCFB has seen an increase in the need for support as a result of the pandemic.

## Helping Youth Build Healthy Lives

To aid in the development of children and adolescents, Molina donated supplies to PRO Youth and Families, an organization that strives to educate and motivate people to create healthy futures. Molina provided summer fun kits, which included a jump robe, frisbee, word search puzzle, bubbles, crayons, and coloring sheets.

## Personal Protective Equipment Donations

To help communities stay healthy during the ongoing coronavirus pandemic, Molina donated personal protective equipment (PPE) to federally qualified health centers and organizations across the state. As part of this effort, Molina provided masks and hand sanitizers to Meals on Wheels by ACC, My Sister's House, Loaves and Fishes, Next Move Homeless Services, and Sacramento Children's Home.
